

# Bananas Munch a' Bunch

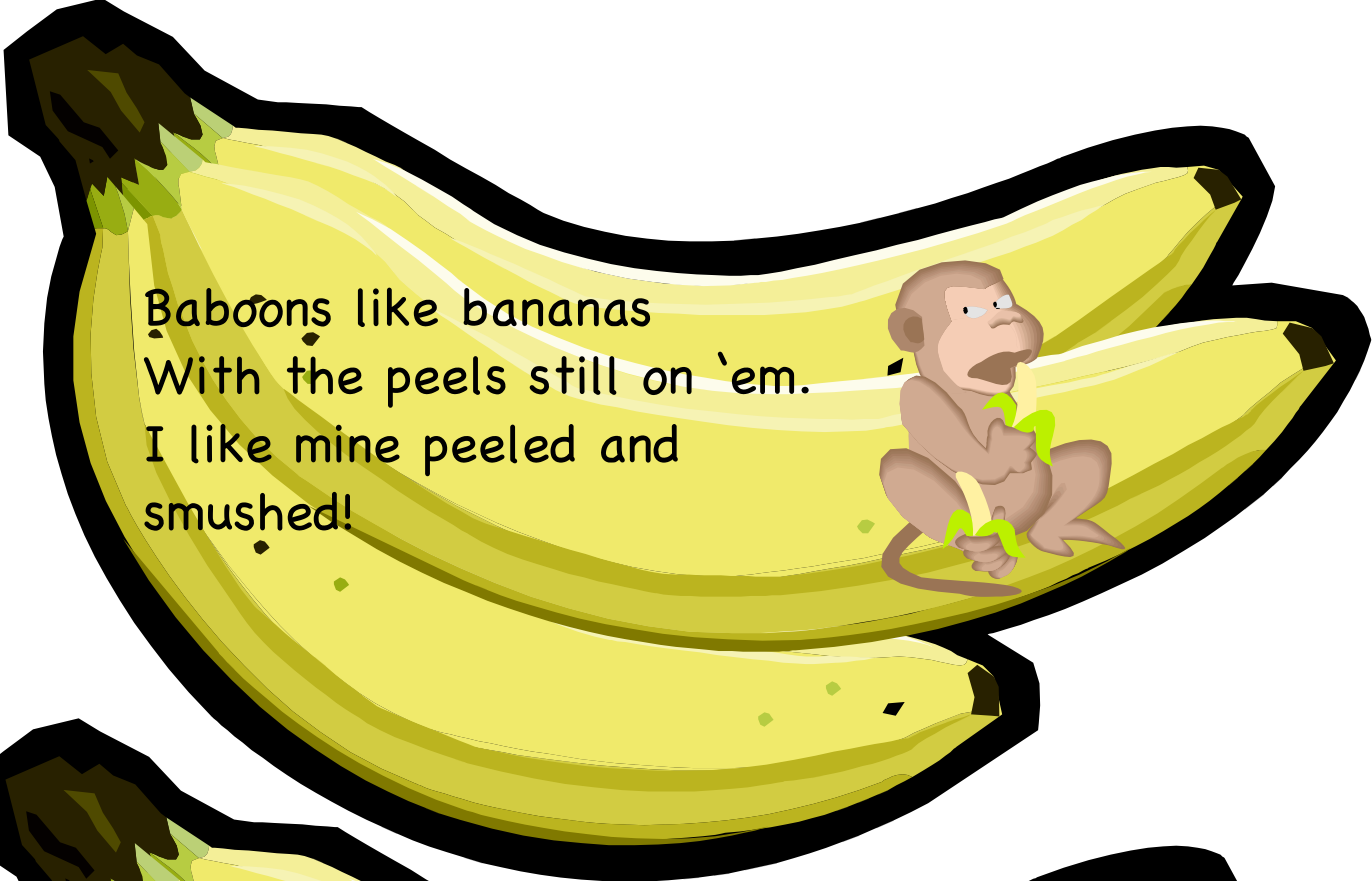

• From: *Tying Shoes and Other Musical Feet!* CD by Sharon MacDonald

Back

Bananas look funny.  
And it tastes great to eat 'em.  
You can take a short or very  
long bite!

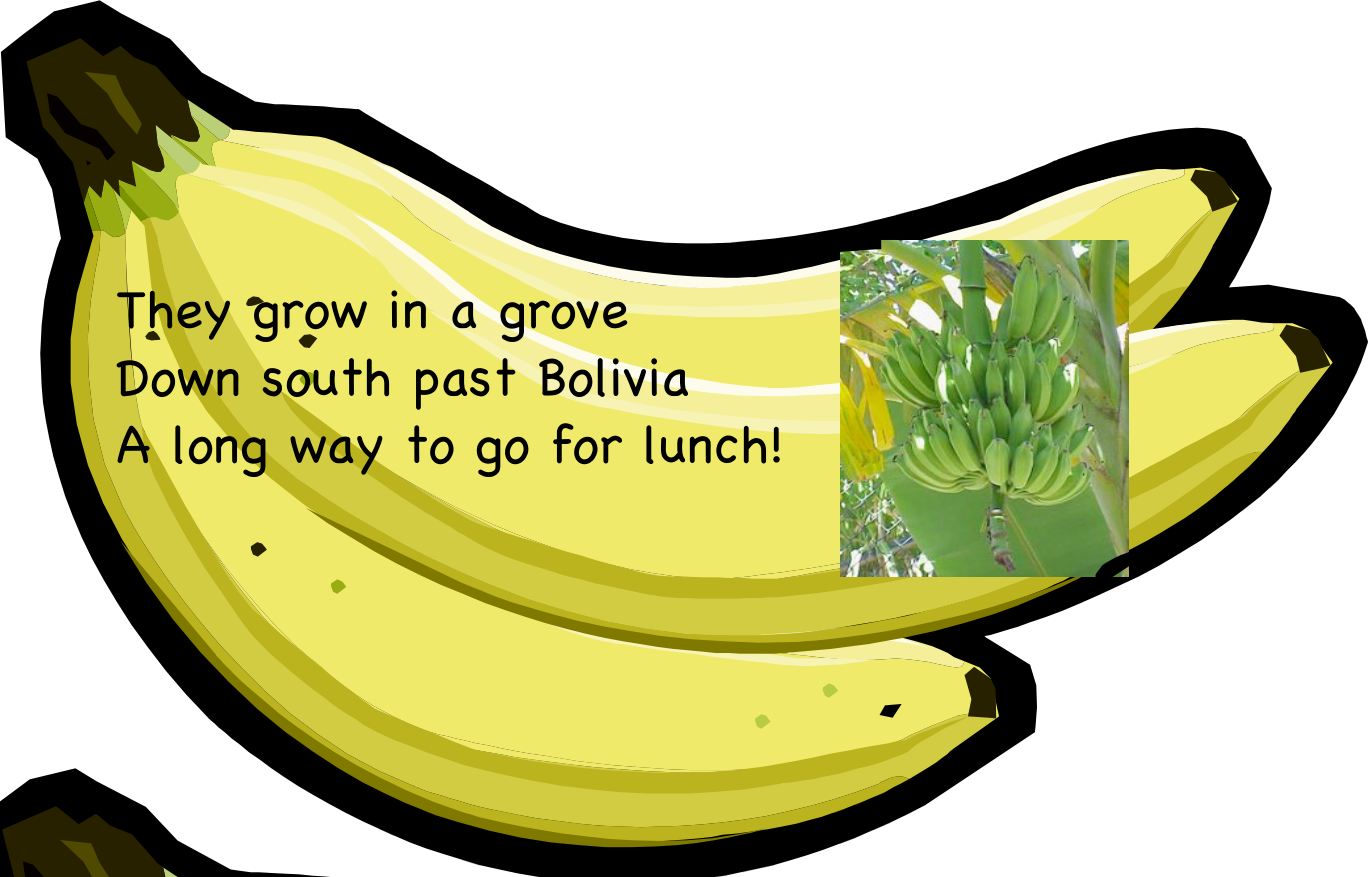

**Munch a' bunch!**

Baboons like bananas  
With the peels still on `em.  
I like mine peeled and  
smushed!

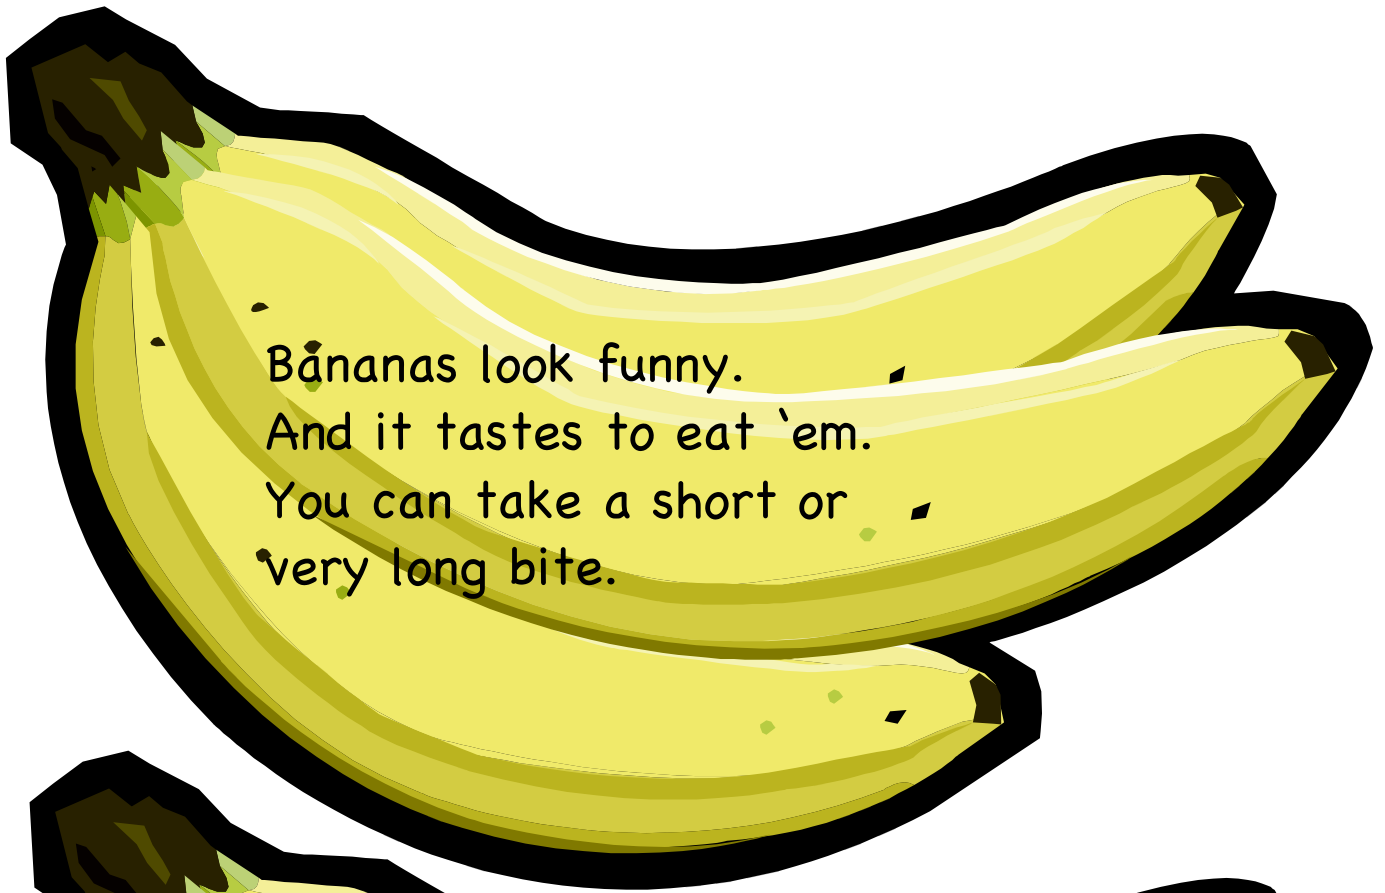

Munch a' bunch!

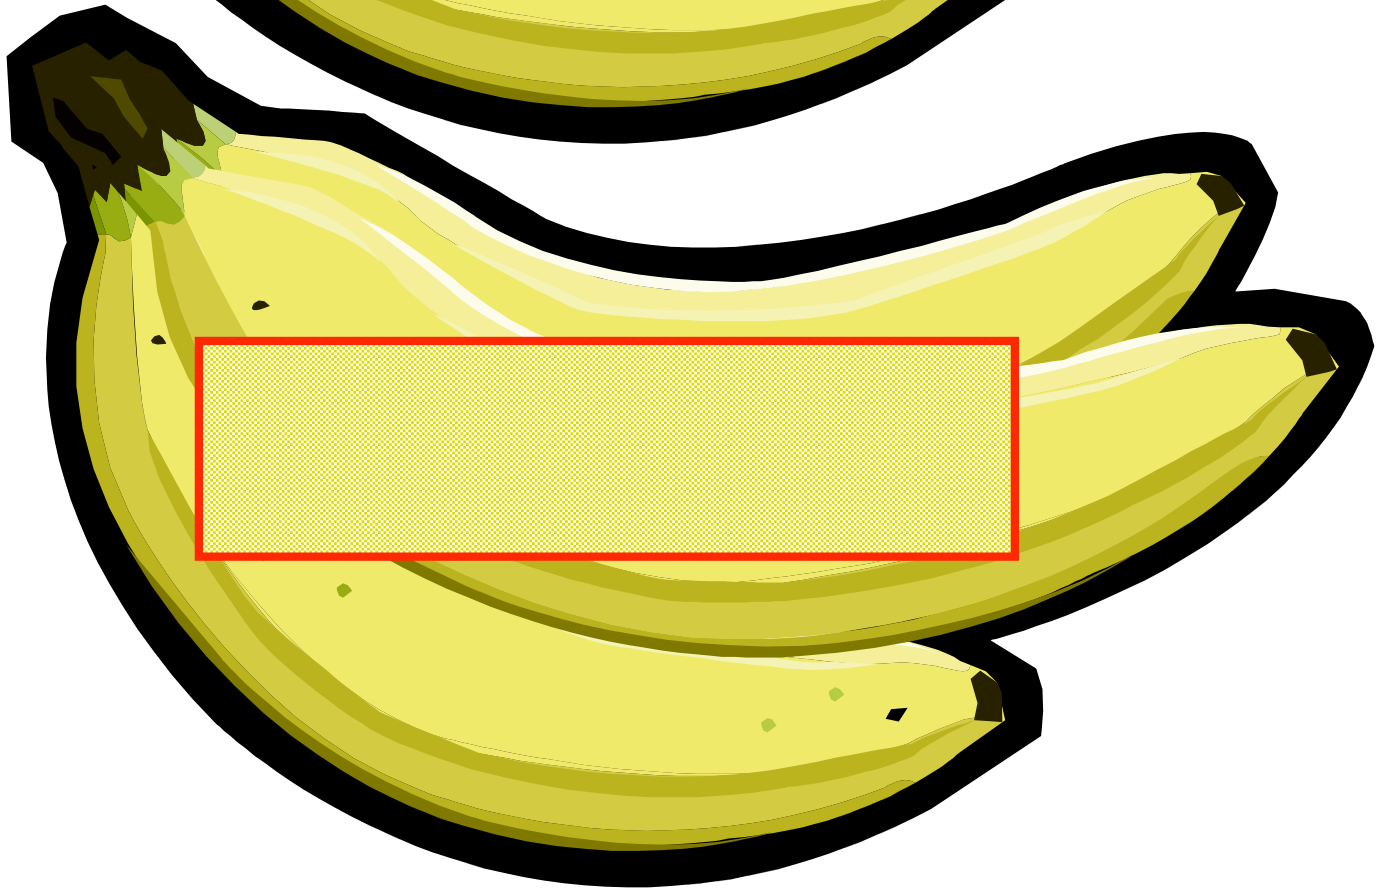

They grow in a grove  
Down south past Bolivia  
A long way to go for lunch!
