

**My hands are important.
I wish they came in "3s."**

The end

**I use my hands to button, if I can make
things match up and down. Sometimes I
miss a hole. I'm glad the buttons are round.**

**My hands are very important
Yes, 3 would be just right.**

Hands

by Sharon MacDonald

The children trace around their hands and cut them out. They glue the palm here so the fingers will stick out to mark the spot where the book starts.

Then I could use 3 of them to hug you really tight.
