

# Layered Book Directions

1. Stack two sheets of paper (8 1/2" x 11"), and place the back sheet one inch higher than the front sheet.

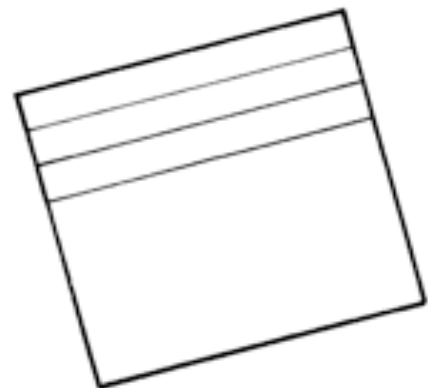

2. Bring the bottom of both sheets upward and align the edges so that all of the layers or tabs are the same distance apart.

3. When all tabs are an equal distance apart, fold the papers and crease well.

1. Open the papers and glue them together along the valley/center fold.

*I like to use notebook rings to put them together but glue works too.*
