

They have green
leaves for hair
And yellow seeds in
the skin. 3

They look white
and taste sour
When they're not
ready to eat. 2

Strawberries are
red when they are
ripe.
They taste tangy
and sweet. 1

Strawberries
By Sharon MacDonald

The next time you
go there
See if you can find
more. 8

The seeds protect
the strawberry
Skins that they're
in. 4

You can eat them
with ice cream—
Eat them alone -

5

Or, put them on
cake that you buy
Or bake in the oven
at home. 6

Deserts made with
strawberries --
You can see at the
store -- 7
