

Whopper, topper apple juice
is very good to drink. It's
splashy, tangy, tastes better
than you think

Whopper, topper apples are
the best ones to use. And
you'll feel better 'cause
apple juice is good for you.

Cut out the apple
and glue it to the
title page. Make
sure it is sticking
out so the children
can see it. This
lets the children
know where to
start reading the
book.
